DDR-923-63

26 June 1963

MEMORANDUM FOR: Assistant Director (Office of Research and Reports)

THROUGH: Deputy Director (Intelligence)

SUBJECT: Requirements for [REDACTED] and Related Projects

REFERENCE: DDI Memorandum No. 2633-63-SC

25X1A

1. In the attached memorandum ORD has replied to those requirements pertinent to its field of endeavor, namely the non-SIGINT area of research and development. OHL will reply to those requirements of SIGINT nature.

2. ORD has examined various technical collection methods which would be applicable against those targets described in the above reference. Further feasibility studies, as well as actual hardware development will be done by ORD.

25X1A

[REDACTED]

EDWARD B. GILLER
Acting Deputy Director
(Research)
